

NITHYASHRI M

COMPUTER SCIENCE ENGINEER

Cuddalore, Tamil Nadu | +91 9600664514 | nithyashri2808@gmail.com | linkedin.com/in/nithyashri-m

PROFESSIONAL SUMMARY

Computer Science Engineer with professional experience in backend and UI development. Experienced in developing backend APIs using NestJS, Node.js, and TypeScript, implementing business logic, API testing, bug resolution, and team collaboration. Also experienced in working with existing pre-built UI templates and customizing interfaces using HTML and CSS. Strong foundation in software development, problem solving, logical thinking, and Data Structures & Algorithms.

TECHNICAL SKILLS

Programming Languages: TypeScript, JavaScript, Python, Java

Backend: Node.js, NestJS, Spring Boot, REST APIs

Databases: PostgreSQL, MongoDB

Frontend: HTML, CSS, Bootstrap

Computer Science: Data Structures & Algorithms

Professional Skills: Problem Solving, Logical Thinking, Communication, Leadership, Decision Making

PROFESSIONAL EXPERIENCE

Softkea Tech | Backend Developer | Present

- Developed backend APIs using NestJS, Node.js, and TypeScript.
- Implemented business logic for backend application features and workflows.
- Performed API testing to validate backend functionality and identify issues.
- Investigated and resolved bugs during development and testing.
- Worked with REST APIs and backend technologies including PostgreSQL and MongoDB.

SCH Info Tech Private Limited | UI Developer | 3 Months

- Worked on existing, pre-built UI templates and applications based on project requirements.
- Customized and modified existing user interface components using HTML and CSS.
- Implemented UI changes related to layouts, styling, and page-level requirements within existing templates.

Face Prep | Technical Trainer – DSA | 3 Months

- Completed a 3-month internship as a Technical Trainer – DSA with Python
- Developed and delivered training sessions related to Data Structures and Algorithms.
- Applied communication and problem-solving skills while delivering technical training.

PROJECTS

Food Delivery App | UI/UX Design

- Designed a food delivery application using UI and UX design principles.
- Focused on presenting the application flow and interface in a user-friendly manner.

Task Management System | HTML, CSS, JavaScript

- Developed a task management system using HTML, CSS, and JavaScript.
- Created an interface for managing and organizing tasks.

EDUCATION

Pavai College of Technology | Bachelor of Engineering in Computer Science | 2021–2025

- CGPA: 8.3

St. Anne's Girls Higher Secondary School | HSC | 2020–2021

- Completed HSC with 84% in 2021.

RBM Matric High School | SSLC | 2018–2019

- Completed SSLC with 80% in 2019.

INTERNSHIPS & ACHIEVEMENTS

Gateway Software Solutions | Python with Data Science Intern

- Completed an internship in Python with Data Science at Gateway Software Solutions, Coimbatore.

Asia University | Artificial Intelligence Intern

- Completed an internship in Artificial Intelligence.

Skill Vertex | Web Development Intern

- Completed a Web Development internship.

CORE COMPETENCIES

- Backend Development and REST API Development
- UI Development using existing templates, HTML and CSS
- API Testing and Bug Resolution
- Problem Solving and Logical Thinking
- Communication and Team Collaboration
- Leadership and Decision Making

CAREER OBJECTIVE

To contribute to a software engineering team by applying my backend and UI development experience, programming knowledge, and problem-solving skills while continuing to develop my technical expertise.
