

NITHYASHRI M

COMPUTER SCIENCE ENGINEER

Cuddalore, Tamil Nadu | +91 9600664514 | nithyashri2808@gmail.com | linkedin.com/in/nithyashri-m

PROFESSIONAL SUMMARY

Computer Science Engineer with 1+ year of professional software development experience across backend and UI development. Hands-on experience with JavaScript/TypeScript, HTML, CSS, Node.js, NestJS, REST APIs, API testing, bug resolution, and responsive UI customization. Strong foundation in JavaScript, web development, problem solving, and software engineering practices.

TECHNICAL SKILLS

Programming Languages: TypeScript, JavaScript, Python, Java

Backend: Node.js, NestJS, Spring Boot ,REST APIs

Databases: PostgreSQL, MongoDB

Frontend: HTML5, CSS3, JavaScript, Bootstrap

Development: API Testing, Bug Resolution, UI Customization, Business Logic

Computer Science: Data Structures & Algorithms

Professional Skills: Problem Solving, Logical Thinking, Communication, Leadership, Decision Making

PROFESSIONAL EXPERIENCE

Softkea Tech | Associate Software Engineer | 9 Months (Dec 2025 to Aug 2026)

- Developed backend APIs using NestJS, Node.js, and TypeScript.
- Implemented business logic for backend application features and workflows.
- Performed API testing to validate backend functionality and identify issues.
- Investigated and resolved bugs during development and testing.
- Worked with REST APIs and backend technologies including PostgreSQL and MongoDB.

SCH Info Tech Private Limited | UI Developer | 4 Months

- Worked on existing, pre-built UI templates and applications based on project requirements.
- Customized and modified existing user interface components using HTML ,CSS and Javascript.
- Implemented UI changes related to layouts, styling, and page-level requirements within existing templates.

Face Prep | Technical Trainer – DSA | 3 Months

- Completed a 3-month internship as a Technical Trainer – DSA with Python
- Developed and delivered training sessions related to Data Structures and Algorithms.
- Applied communication and problem-solving skills while delivering technical training.

PROJECTS

Food Delivery App | UI/UX Design

- Designed a food delivery application using UI and UX design principles.
- Focused on presenting the application flow and interface in a user-friendly manner.

Task Management System | HTML, CSS, JavaScript

- Developed a task management system using HTML, CSS, and JavaScript.
- Created an interface for managing and organizing tasks.

EDUCATION

Pavai College of Technology | Bachelor of Engineering in Computer Science | 2021–2025

- CGPA: 8.3

St. Anne's Girls Higher Secondary School | HSC | 2020–2021

- Completed HSC with 84% in 2021.

RBM Matric High School | SSLC | 2018–2019

- Completed SSLC with 80% in 2019.

INTERNSHIPS & ACHIEVEMENTS

Gateway Software Solutions | Python with Data Science Intern

- Completed an internship in Python with Data Science at Gateway Software Solutions, Coimbatore.

Asia University | Artificial Intelligence Intern

- Completed an internship in Artificial Intelligence.

Skill Vertex | Web Development Intern

- Completed a Web Development internship.

CORE COMPETENCIES

- Backend Development and REST API Development
- UI Development using existing templates, HTML and CSS
- API Testing and Bug Resolution
- Problem Solving and Logical Thinking
- Communication and Team Collaboration
- Leadership and Decision Making

CAREER OBJECTIVE

To contribute to a software engineering team by applying my backend and UI development experience, programming knowledge, and problem-solving skills while continuing to develop my technical expertise.
